

ACTRA 2020 RIDE SEASON

On May 31 ACTRA Board of Directors met online to discuss the remainder of the ACTRA sanctioned ride season. Due to the continually evolving nature of Covid 19 and the uncertainty surrounding Maritime borders reopening, the size of groups permitted to gather, social distancing and self-isolation after travel, it was decided that the remainder of the 2020 ride season be canceled.

Memberships paid for the 2020 season will be extended to include the 2021 season.

We do this with much regret, but the safety of our members, judges, and volunteers is paramount as are good relations with all our landowners and communities where rides are held.

Have a good summer with your horses and please share your photos and stories on our two Facebook pages and submit some stories to the newsletter editor.
