

ACTRA Spring Meeting, April 27, 2025, Director Reports

Rules Report:

A number of updates have been made since November 2024. The latest updates were made as of March 24, 2025. Members should check the website for the most up to date rule book rather than referring to any printed copies they may have on hand. The updating of the Rule Book is an ongoing process. I'm looking at having all the changes on the website soon. Thanks to Carrilee Eddy and Bev Elliott for your assistance.

Respectfully submitted by Lucy Rudge
