

INTRO ENDURANCE RIDE

ACTRA Ride Managers may elect to host rides which are sanctioned for less than 22.5 miles. These rides are designated "Intro/Fun Rides". Intro Endurance Rides must be included on the sanctioning form and held in conjunction with an ACTRA Limited Distance or Endurance ride or an ACTRA Endurance Clinic.

1. Ride Managers have flexibility with Intro Endurance rides to make them a better tool for education (examples are: riding with mentors and longer time limits).
2. No placing or best condition will be awarded.
3. At least one control check point of some kind is required during Intro Endurance Rides sanctioned for 10 miles or more. (for example: pulse and go) This does not preclude the pre-ride or post-ride exam.
4. All Intro Endurance rides must have a pre-ride and post-ride exam completed by a control judge. These exams are to have the same requirements as any other ACTRA-sanctioned distance ride.
5. Riders may not elevate from an Intro Endurance Ride.
6. No points are awarded for the equine or owner.
7. Miles are awarded for the equine and rider upon completion requirements. Ride results for these distances (other than mileage) will not be reported to ACTRA and will not be published.
